Rules during charter on the sea:

When the boat is underway or entering a port, passengers must remain seated until the boat in its mooring.

After swimming:

After swimming, please take a shower on the swim platform, dry your body and only after you can enter inside the boat.

If you wish to sit on chairs, please use towels to protect boat furniture from sea salt.

Feeling Sick:

If passengers feel sick, they must immediately inform the Captain in order to help/assist the passenger. When passengers are sick the area where to go is the swim platform, NOT INSIDE THE BOAT. This will only make you feel much worse.

Children:

You are responsible for looking after your children and making sure they are in control.

Charter time:

We are not responsible for any delay of your arrival. The boat charter cannot be extended if you are late as we have other reservations.

Please organise your trip to the port in advance so you can arrive in time.

In case there are available, we can change the charter time at an additional cost.

Weather conditions/refund policy:

If cancellation is made for any personal reason, you will receive a full refund provided the cancellation is made at least two full weeks (four full weeks in July, August, and September) before the day of your charter.

There will be 10% administrative fee of the charter price charged for cancellations.

If weather conditions will be force three or over we do not sail. We will change the charter time to the first next availability.

If there is any technical problem with the boat and we can't find another alternative, we will refund in full.

If in the event, your charter boat is unavailable for technical reasons, the renter has the right to provide another boat at least the same standard or a free upgrade.

You must be flexible two days before and two days after your charter date in case we need to change your charter date.

Guarantee caution/deposit:

For Guarantee Caution/Deposit against damage to the boat, we use a trustworthy third-party institution named SWICKLY

A guarantee caution is required in accordance with our terms and conditions during the boat charter.

One Euro will be taken from your account, which will activate the agreement.

One Euro will be returned to your account after the charter. No other money is taken from your account unless wilful damage is caused during the charter.

The responsible person will apply online **with a valid credit card with a limit of not less than 2500 euros**. After the charter, the next-day boat will be checked and your guarantee caution will be cancelled.

Important! You will need to forward/inform all the above-mentioned information to all passengers so they are aware of this and are respectful of boat rules.

On the day of the charter, before signing the contract, you will be able to check the boat in order to be sure everything is correct and working.
